JCM Global's iVIZION®, GEN2 U™ Set Sail on Gauselmann's Casino on the Ship *MV Zenith*

DÜSSELDORF, Germany (30 January 2017) – [JCM Global](#) has signed a major new contract to supply its award-winning [iVIZION® bill validator](#) and award-winning [GEN2 U™ thermal printer](#) to Gauselmann for its new cruise-liner casino operations.

Gauselmann recently obtained its first licenses to operate casinos on cruise liners, and under the brand name "CASINO MERKUR MARE," the company is will operate four casinos on four ships from the company Pullmanntur Cruceros. The first casino just opened on the cruise-liner *MV Zenith*, and each of the casino's 60 slot games are equipped with JCM's iVIZION and GEN2 U.

JCM has an excellent, long-term relationship with Gauselmann. Kathy Schneider, Head of Casino Operations for CASINO MERKUR MARE said, "We chose JCM for its long outstanding reputation in the gaming industry. Noticing that JCM always wants to evolve and is offering innovative solutions for the casino operations, we are excited to monitor this progress and to have those solutions soon in our own operations."

JCM EMEA General Manager [Payam Zadeh](#) said, "For many years, JCM and Gauselmann have enjoyed a very fruitful relationship, and we are very pleased to be a part of this incredibly exciting new venture. Our printers and bill validators have superior field-proven technology, outstanding reputations, and exploit the very latest technology. These factors, combined with our world-class levels of service and support, make JCM the perfect choice for operators, suppliers and integrators who want to make better connections with their customers."

JCM will showing its advanced and diverse product portfolio of better, smarter, faster solutions on stand [#N3-220 at ICE Totally Gaming](#), 7-9 February in London.
