JCM Global Connects the Gaming Industry to Its Customers at G2E Asia

MACAO, China (28 April 2016) – [JCM Global's](#) portfolio of bill validation and printing products help casino operators all over the world make better connections with their customers, and now JCM is bringing that award-winning portfolio to [G2E Asia](#).

The tradeshow takes place May 17-19 at the Venetian Macao, and JCM will exhibit its award-winning portfolio of bill validation printing solutions on [stand 537](#).

“We are honored to have achieved the high levels of success we have in Macao and across the Asia-Pacific region,” Ian Payne, General Manager of JCM Global Australasia said. “As we come to G2E Asia, we are humbled to present a strong portfolio that is field-proven to help operators conduct business better, smarter, and faster while making better customer connections.”

From its bill validation solution line, JCM will show the award-winning **iVIZION®**, which combines a 99%+ acceptance rate with the industry-leading Contact Image Sensor (CIS) technology that sees the entire front and back of a note or ticket, for the highest levels of security. **TBV™** has the ability to accept single notes or bulk notes, up to 50 at a time, all with incredibly powerful sensing and anti-stringing technologies to defeat counterfeiters and other cheats. Last, **DBV-500™** has cash box capacity options of 500/1000/1500 notes and 8 wavelengths of high-precision optical sensors to provide the highest levels counterfeit protection.

Working in concert with the bill validators is JCM's Intelligent Cash Box **ICB® 3.0** system, which increases accuracy and eliminates human error, and its web reporting empowers users to view reports from the casino floor in real time.

For printing solutions, JCM offers the award-winning **GEN2 Universal®**, which features universal communication ports, a larger paper capacity, Intelligent Ticket Handling® technology, jam-reducing IntelligentBezel™ system and available 2-color printing technology.

JCM will also show the hand-held firmware upload tool **BlueWave Deluxe™**, which allows users to easily to load and upgrade validator firmware right at the kiosk.

Join JCM on stand #537 at G2E Asia and on [Facebook](#), [LinkedIn](#) and [Twitter](#).
