### JCM Global Brings Industry-leading Products, World-class Training to Peru Gaming Show

LAS VEGAS (June 14, 2016) – Operators in Peru and across Latin America rely on bill validation and printing solutions from [JCM Global](#) to make even better connections with their customers, while also increasing security and accountability.

Now JCM is bringing three award-winning products to the Peru Gaming Show. In conjunction with the show, JCM will stage its newest hands-on technical training.

First, in booth #8 at the Peru Gaming Show, JCM will show [iVIZION®](#), which combines a 99%+ acceptance rate with the industry-leading Contact Image Sensor (CIS) technology that sees the entire front and back of a note or ticket.

Also on display is the [UBA®](#), which keeps profits flowing with a patented removable stacker mechanism, combination of powerful sensing and anti-stringing technologies, automatic retry feature and self-centering mechanism.

The [GEN2 Universal®](#) thermal printer features universal communication ports, a larger paper capacity, Intelligent Ticket Handling® technology, jam-reducing IntelligentBezel™ system and available 2-color printing technology.

Then on June 16 at 3:30 p.m., JCM will hold the latest installment of its technical training program at Centro de Convenciones Jockey Club. The training is free for JCM clients; however, RSVP is required. Email Gabriel Becerra at [Gabriel.becerra@jcmglobal.com](mailto:Gabriel.becerra@jcmglobal.com) to reserve your spot.

JCM Latin America Sales Manager Eduardo Rozen said, “We have been fortunate with the tremendous turnout at our training events. These types of trainings are very helpful to our customers, because they arm slot techs with vital information and technical abilities to maintain maximum uptime on a variety of JCM equipment.”

Join JCM in booth #8 at the Peru Gaming Show and on [Facebook](#), [LinkedIn](#) and [Twitter](#).

### About JCM Global

JCM Global is the world's leading transaction technologies supplier for the banking, retail, kiosk and gaming industries.
