ALLIANCE OF JCM AMERICAN, TOVIS MONITORS AND TRANSACT TECHNOLOGIES DISPLAY GROUP OF AWARD-WINNING PRODUCTS AND INNOVATIONS AT G2E

LAS VEGAS (November 9, 2006) – At G2E 2005, JCM American, Tovia Monitors and TransAct Technologies stole the show by announcing the companies had formed a working alliance that would give customers a one-stop shop for the best in gaming peripheral devices. Now, one year later and with a trail of success behind them, the Alliance companies are showing their innovative award-winning products together.

JCM, Tovia and TransAct will be showing jointly in booth #2057, displaying the very best in technologically advanced products including JCM's Trident® Table Safe System, Universal Bill Acceptor (UBA®), and Intelligent Cash Box (ICB®); Tovia's extensive line of LCD monitors; TransAct's Epic 950™ thermal printer and other printers.

The alliance of JCM American, Tovia Monitors and TransAct Technologies recently scored a major win at FireLake Grand Casino in Oklahoma. The casino, the first compacted Class III casino in the state, opened with 100 percent Alliance products, including the UBA, ICB, JCM's Sentry™ bezel; Tovia monitors; and the Epic 950.

Off the trade show floor, TransAct Senior Vice President and Business Manager Jon Berkley moderates the panel, "Optimizing Revenue: Real-time Marketing at the Slots" on Monday, November 13 at 8 a.m. The session takes place in the convention center's room N-212. Also on Monday, JCM's VP of Strategic Marketing Tom Nieman will moderate the panel "Table Games Technology" on Monday, November 13 at 10:30 a.m. The session takes place in room N-210.

Additionally, JCM is conducting two bill validator technical certification training courses at G2E 2006. The first-ever IACET-accredited classes take place November 15, and begin at 8 a.m. Both are held at the Las Vegas Convention Center, room N-231. The classes require pre-registration; for information, contact JCM's Las Vegas marketing office at +1 (702) 651-0000. JCM was recently awarded IACET accreditation, becoming the first Nevada company and the first company in the gaming industry to achieve the accreditation.
