## Parts are Parts

Figure 1 GEN5™ Coil Harness, 14-pin (P/N 150-00421-100)

**Part No.** 150-00421-100

**Description:** GEN5™ Coil Harness, 14-pin

**Usage:** A new version of the standard 14-pin Coil Harness for the GEN5 Thermal Printer adds a secondary RS-232 Port (Figure 1). The secondary RS-232 Port enables direct system connectivity, while the primary RS-232 Port communicates with the EGM.

Connectors on the new GEN5 Coil Harness include:

- 14-pin Connector, Game Connection - includes 12VDC Power and Serial Communications
- USB Connector, Male A connection - supports USB Communications
- Bezel Connector, 3-pin External Bezel Connection
- Secondary RS-232 Connector, 4-pin Secondary RS-232 Connection

**Note:** The standard 14-pin GEN5 Coil Harness (P/N 150-00176-100) is also available. Both Harnesses can also be used on the GEN2U™ Thermal Printer.

The Latest JCM Software Listing (shown above) identifies specific software versions that have been released to OEMs. It is the responsibility of the OEM to obtain all required approvals from Gaming Regulators and Jurisdictional Authorities necessary for use of approved software versions. Contact the Game Manufacturer (OEM) for information on specific software releases approved for use within your gaming jurisdiction.

JCM recommends using the latest version for maximum acceptance, security, and performance.

## JCM Service Offerings

JCM offers the following services to help keep your JCM Products performing within factory specifications:

- Warranty and Non-Warranty Service and Repair
- Custom Training Classes
- Unit Exchange Programs
- Preventive Maintenance Programs
- ICB Data Analysis
- Validator Performance Analysis

## JCM Global® Is The Source For All Your Video Needs!

JCM Global incorporates the latest digital display technology (single screen to large scale video wall solutions), digital content creation services and networked solutions for all your media needs. JCM Global products combine unsurpassed color uniformity and the best pixel-to-pixel resolution available in the Gaming industry in an easy-to-install package. JCM Global MAX-S provides a high-resolution interlocking panel solution for large scale LED Video screens. JCM Global FLEX offers articulating panels for curved surface implementations. JCM Global CUBE supports 3-D Video Displays and JCM Global ELEMENTS supports outdoor installations. For details, visit the JCM Global website at [www.jcmglobal.com](http://www.jcmglobal.com)!

## FREE ONLINE TRAINING

Technicians need training, but is time or class availability a problem? JCM Online Training offers classes to meet your schedule and your needs. JCM Online Training Programs feature the same content as JCM On-site Training with the added convenience of flexible scheduling. Visit [training.jcmglobal.com](http://training.jcmglobal.com) for more information or to register for classes.

Technical Bulletin 201904 April 2019

### Technical Tip

**Question:** What is FUZION® Technology?

**Answer:** JCM FUZION Technology transforms EGMs into multi-use Gaming Kiosks. When connected to an iVIZION® Bill Validator and a GEN5™ Printer, an EGM equipped with the FUZION Technology System can also access transactions from other sources. For example, EGM Players could access State Lotteries, in-house Race and Sports Books, Fantasy Sports and a host of other services.

The FUZION Technology System allows full interaction with the iVIZION Bill Validator and GEN5 Printer to:

- Monitor system performance;
- Allow automated, scheduled Firmware updates;
- Enable predictive Maintenance and enhanced Security with Real-time Monitoring of money laundering (AML) and other suspicious activities; and
- Support Targeted Promotions for Carded and Uncarded Players, delivering personalized and effective Promotions to reward Players at levels appropriate to their Card levels.

For additional information on JCM FUZION Technology and other JCM Products, visit the JCM Global website at [www.jcmglobal.com](http://www.jcmglobal.com), or contact your local JCM Sales Representative at (800) 683-7248.
