JCM Global Brings Powerful Solutions to 15th Annual Cards & Payment Africa Trade Show

DUSSELDORF, Germany (11 March 2015) – [JCM Global](http://www.jcmglobal.com) is exhibiting a world of leading and award-winning solutions at the South African retail and kiosk industry at the [Cards & Payment Africa](#) trade show. The event continues through today at the Sandton Convention Centre in Johannesburg, and JCM is on stand 15.

JCM is exhibiting for the first time at the show, and the company is also bronze sponsor of the event, which also includes the conference to this industry.

JCM is showing its award-winning line of products that help retailers and operators make even better connections with their customers. On JCM's stand are:

- The award-winning iVIZION® bill validator with CIS™ technology that captures an entire note or ticket and has a 99%+ acceptance rate
- The iPRO™ and iPRO RC bill validators with unsurpassed acceptance rates in their class, plus an available note recycler
- Fujitsu 53/56 for quick note dispensing, and G60, which recycles up to four denomination
- The iV8™ bill validator that processes stacks of notes in as little as 8 seconds

Since last year, JCM has refocused within South Africa to grow market share. JCM recently placed a local representative within South Africa's borders who interacts closely with commercial market and also locally appointed distributor.

About JCM Global

JCM Global is the world's leading transaction technologies supplier for the banking, retail, kiosk and gaming industries. With unsurpassed service and support, JCM Global is trusted by operators, manufacturers and integrators on six continents. Its extensive line of award-winning products set global standards with ground-breaking products like the iVIZION®, Universal Bill Acceptor (UBA®) and Vega-RC™ bill validators, Intelligent Cash Box (ICB®), PayCheck 4™ thermal printer, Ticket2Go™, TableXchange® and PromoNet® systems products.
