Casino Estoril Names JCM Global Preferred Bill Acceptor Supplier

Casino is Second in Portugal to Award Distinction to JCM in Less than a Month

DUSSELDORF, Germany (9 July 2014) – The winning ways continue for [JCM Global](http://www.jcmglobal.com) across Europe, particularly in Portugal, where another casino has named JCM its preferred bill validator supplier. Today, [Casino Estoril](#) awarded the preferred distinction to JCM, the gaming industry's leading transaction technologies supplier. The honor comes less than a month after another Portuguese casino named JCM its preferred supplier.

Specifically, Casino Estoril named JCM's award-winning iVIZION® as its preferred bill validator, adding to the growing list of casinos in Portugal, across Europe and worldwide that have named iVIZION their preferred bill validator.

Casino Estoril has been a JCM customer since 1997, and have benefitted from the security and speed of JCM's landmark WBA® and UBA® products. After a three-month test, the casino has decided to evolve the floor with the better, smarter, faster iVIZION.

Mr. Choi Man Hin, Chairman of Executive Committee of Casino Estoril, said, "We have worked with JCM for many years and have always been pleased with the quality of products and service. During our three-month trial with iVIZION, we were impressed with its very high quality, fast first-time acceptance rate, and we had no technical problems. We are happy name iVIZION our preferred validator product."

"iVIZION continues to impress operators around the world, and we are very happy to welcome Casino Estoril to the iVIZION family of customers. iVIZION has set a new global standard for acceptance and security, and as the foundation of intelligent validation, iVIZION is a product casinos can buy with confidence," said JCM EMEA General Manager Payam Zadeh.
