### **Casino Lisboa Names JCM Global Preferred Bill Acceptor Supplier**

DUSSELDORF, Germany (18 June 2014) – Portugal's [Casino Lisboa](#) has named [JCM Global](#), the gaming industry's leading transaction technologies supplier, its preferred bill validator supplier. Specifically, Casino Lisboa named JCM's award-winning iVIZION® as its preferred bill validator.

Casino Lisboa is the latest in a string of casinos across Europe that have named JCM their preferred supplier in recent months.

A long-term JCM customer, Casino Lisboa has used JCM's WBA® and UBA® bill validators in the past. Now after a successful three-month trial, the casino is converting to the groundbreaking iVIZION bill validator.

Casino Lisboa General Manager Lou Ion San said, "We have been happy with our JCM products and service in the past, and after the iVIZION field trial, it was very clear that we could evolve our casino operations with iVIZION. We are very pleased with the product and the increased security it brings to our casino floor."

"We are thrilled that Casino Lisboa has named JCM its preferred supplier. During its iVIZION trial, the casino discovered what casinos across Europe and around the world already know – that iVIZION is the better, smarter, faster solution that increases security and evolve casino operations," said JCM EMEA General Manager Payam Zadeh.
