### **JCM Global Brings History of Success, Winning Solutions to OIGA 2014**

LAS VEGAS (August 6, 2014) – Native American operators in Oklahoma and across the United States rely on [JCM Global](http://www.jcmglobal.com) to protect revenues with the industry's best anti-counterfeit protection and to help them communicate with customers in engaging ways.

Now JCM, the gaming industry's leading transaction technologies supplier, is bringing its better, faster, smarter solutions to [OIGA 2014](#) to help Tribal operators evolve their casino floors even further. JCM will be in booth 201.

"We have been very fortunate to work with Native American operators in all areas of the United States, and we have continued to evolve our product line and service offerings, based on valuable client feedback," said JCM Global VP of Worldwide Sales Mark Henderson. "We are excited for OIGA 2014 and to continue to work closely with our clients."

On display will be JCM's award-winning validator, iVIZION®. Trusted by Native American operators across the United States and by operators globally, iVIZION is the foundation of intelligent validation. iVIZION has the most powerful anti-counterfeiting and anti-stringing technology available, plus it has an unsurpassed acceptance rate of 99+ percent.

Also on display will be JCM's award-winning PayCheck 4™ thermal printer, the fastest and longest-lasting printer in its class. PayCheck 4 prints a complete ticket in just 0.6 seconds, has 8mb of standard memory, and an average life span of 640,000 slot-type tickets – twice that of other printers.
