JCM GLOBAL CONTINUES WINNING STREAK WITH MAJOR CONTRACT SECURED FROM MARYLAND LIVE! CASINO FOR iVIZION BILL VALIDATOR

LAS VEGAS (October 7, 2011) – The winning streak continues for [JCM Global](http://www.jcmglobal.com), the world leader in currency bill validation equipment. Having won every RFP it has competed for in 2011, the company's award-winning [iVIZION®](#) bill validator has now won a contract with [The Cordish Company](#), which will place iVIZION on more than 4,750 slot machines and electronic table games at the new [Maryland Live! Casino](#), scheduled to open in June 2012 in Anne Arundel County, MD.

"We were impressed by the superior quality product presented to us by JCM," said Robert J. Norton, President and General Manager, Maryland Live! Casino. "With its dynamic capabilities and future-proof applications, we knew the iVIZION was the perfect fit for the world-class gaming destination we are developing at Maryland Live! Casino."

"We are thrilled that our winning streak continues with the trust and confidence the Cordish Companies and Maryland Live! Casino have extended to JCM," said JCM Global VP of Sales Mark Henderson. "Casinos large and small, from coast to coast, are sizing up every available product on the market, and they are consistently choosing iVIZION, the best bill validator available."

The award-winning iVIZION is the most advanced bill validator on the market today, and is complete with Contact Image Sensor (CIS) Technology, which captures the entire image of a note or ticket. iVIZION has a 99%+ acceptance rate, the most diligent counterfeit protection, RFID ICB cashbox with encrypted and web-enabled data, 64 megabit FLASH memory. iVIZION has a self-calibrating sensor package, modular component design, ability to read barcodes horizontally and vertically, two high-speed processors, sealed 85 mm banknote path, patented and proven removable stacker mechanism, "Blind Mate" and "Hot Swap" design and complete compatibility with all gaming protocols.
