JCM Global, Churchill Downs Incorporated Expand Relationship at new Turfway Park Racing & Gaming

LAS VEGAS (October 31, 2022) – JCM Global® (JCM) and Churchill Downs Incorporated (CDI) have again expanded their long-term relationship. JCM has provided its award-winning ICB® Intelligent Cash Box system to CDI's recently opened live and historical horse racing entertainment venue, Turfway Park Racing & Gaming in Florence, Kentucky.

This is the third CDI property to open recently with the ICB system. In 2020, JCM supported CDI with two openings in Kentucky using JCM's technologies: Oak Grove Racing, Gaming & Hotel and Newport Racing & Gaming.

"This expanded partnership with JCM Global ensures that our guests at Turfway Park Racing & Gaming will receive the same quality wagering experience with each transaction as our other successful gaming properties in Kentucky," said Duncan McConnell, Sr. Director of Gaming Strategy for CDI.

"At JCM, we have enjoyed our long-term relationship with Churchill Downs Incorporated, and we are very pleased to continue to play a role in their technology strategy. Our solutions will help position Turfway Park Racing & Gaming for success today and into the future," said JCM SVP of Sales, Marketing & Operations Dave Kubajak

This is the second U.S. property this month to open with JCM's ICB system. By eliminating multiple points of human error, ICB reduces variances, increases compliance, and streamlines the entire drop process.
