JCM AMERICAN ANNOUNCES A NETWORK OF STRATEGIC DISTRIBUTION PARTNERS

Companies Will Distribute and Service JCM Products in Markets Across the U.S. and Canada

LAS VEGAS – Leading currency-handling manufacturer JCM American Corp. (JCM) has developed a network of strategic partnerships that will allow the company to provide even higher levels of customer service across North America. Under the new arrangement, several leading companies will distribute and service JCM products throughout the United States and Canada, giving the company greater reach and penetration than ever.

American Gaming & Electronics (AG&E) and Happ Controls will service markets across the United States, with Mountain Gaming Distributors serving Colorado and Hi-Tech Gaming serving Canadian markets.

JCM Vice President Tom Nugent said, "JCM constantly strives to provide the best customer service in the business. We looked very carefully at many companies as we sought to develop distribution partnerships, and we are confident that the selection of these companies will allow JCM to rapidly deliver products, parts and service through a network of partnerships with trusted and leading businesses."

About JCM

JCM American Corporation is the worldwide leader and most trusted name in currency and transaction management with products found in countries around the globe. JCM's innovative products and creative solutions are used by gaming, vending, retail, financial, transportation,

security and unique application industries. With 50 years of design and engineering experience, JCM products offer the highest acceptance rate and security features available.
