### **JCM Global Evolves Casino Operations Throughout Australasia with Award-winning Transaction Technologies on Display at AGE Trade Show**

TOKYO, Japan (August 8, 2013) – Casino operators are invited to evolve their profit potential at the upcoming [Australasian Gaming Expo \(AGE\)](#) with products from [JCM Global](#), the industry's leading transaction technologies supplier. AGE takes place August 13-15 at the Sydney Convention and Exhibition Centre, and JCM's newest regional office, JCM Asia Pacific, will be in stand #1402.

JCM Asia Pacific Business Manager Ian Payne said, "JCM has a long and outstanding history serving operators of all sizes throughout the Australasia region. We are committed to the region's gaming industry, and we are proud to be showing innovative new technologies that will help operators evolve their profit potential."

The evolution begins with the award-winning [iVIZION® bill validator](#). Already recognized as one of the best bill validators in the industry's history, iVIZION is further evolving with a set of bundled enhancement tools that empower casino operators to do much more than they ever thought possible with peripheral components, and in real time. JCM will also show its Sentry® 2 bezel. The perfect accessory for the iVIZION bill validator, Sentry 2 empowers operators to speak directly to their customers in up to four languages.

Next, the incredible new [iPRO™](#) has of the most advanced sensing and anti-stringing packages we have ever created. Seven wavelength optical and magnetic sensors give you the best counterfeit protection anywhere, defeating counterfeiters with unparalleled security.

The [TBV™, or Transactional Bill Validator](#), accepts single note or bulk note transactions, making it the perfect solution for self-pay kiosks, retail safes, ticketing, automated deposit systems and other similar operations. Its 2,000 note cash box easily handles large capacities of notes.

Every game needs a printer and the award-winning [PayCheck 4® thermal printer](#) is the fastest, smartest and longest-lasting printer on the market today.

Visit AGE stand #1402 and evolve your casino operations with the power of JCM products, or for more information now, visit JCM's 24-hour global tradeshow at [www.jcmglobal.com](#).
