### **JCM Global Marks Six Months of Successful Service to Spanish Manufacturer smi2000**

DÜSSELDORF, Germany (6 February 2014) – At ICE Totally Gaming, JCM Global and smi2000 are marking six months of their successful and growing relationship.

In the recent past, smi2000, a famous Spanish OEM manufacturer located in the Catalunya area, had used bill validator equipment from another supplier, and for the past six months, the company has used JCM's award-winning transaction technologies, including the iVIZION®, iPRO-RC™, and UBA® bill validators.

Mr. Josep Barbal Ramon, CEO of smi2000, said, "We recently started using products from JCM Global, and we are very happy with the high quality of JCM's products and have been impressed with their excellent service and support."

JCM EMEA General Manager Payam Zadeh said, "We are very happy with the growing relationship between smi2000 and JCM Global. Suppliers, operators and integrators across Europe have come to know JCM as the leader in transaction technology, and we are pleased with the trust that smi2000 has placed in JCM."

The team of SMI has been working together since 1997 and features a complete know-how of the sector. The company's work has been focused on product design and manufacturing, from sports machines to A, B, AWP, casino, multiplayer machines and interconnection systems, for national or international markets, as well other cash handling solutions.

JCM's iVIZION and iPRO-RC feature the most advanced validation security features and anti-stringing technology available, all with an acceptance rate of 99+ percent. Learn more about JCM's entire product line at [www.jcmglobal.com](http://www.jcmglobal.com).
