### **JCM GLOBAL ONLY BILL VALIDATOR COMPANY GRANTED SUPPLIER LICENSE IN ILLINOIS VLT MARKET**

LAS VEGAS (August 25, 2011) – JCM Global has a long history of innovation and leadership, and again the company is leading the way in the Illinois VLT market. The Illinois Gaming Board has granted JCM a license as a Video Gaming Terminal Supplier. To date, JCM is the only bill validator supplier company to be granted such a license.

JCM has been licensed as a riverboat supplier in Illinois since 2002, and this new license allows the company to supply its extensive line of award-winning products to the Illinois VLT marketplace.

“We are absolutely thrilled to have been granted this license by the Illinois Gaming Board,” said Mark Henderson, VP Global Sales of JCM Global. “Since 2002, we have been supplying riverboats in Illinois with our award-winning products like the Universal Bill Acceptor (UBA<sup>®</sup>), the Intelligent Cash Box (ICB<sup>®</sup>) and the Sentry™ bezel. Now we are excited to expand our presence in Illinois, along with our recently expanded product line, which includes the award-winning iVIZION<sup>®</sup> bill validator, the new ICB 2.5, the new Sentry 2.0, and the new PayCheck 4™ thermal printer.

JCM will be exhibiting its new product lineup at the upcoming Global Gaming Expo, which takes place October 4-6 in Las Vegas. JCM will be in booth #3631.
