### **JCM'S NEW UNIVERSAL BILL ACCEPTOR NAMED ONE OF CASINO JOURNAL'S TOP 20 MOST INNOVATIVE GAMING TECHNOLOGY PRODUCTS**

LAS VEGAS (April 26, 2005) – JCM's new Universal Bill Acceptor (UBA) has been named one of Casino Journal's Top 20 Most Innovative Gaming Technology Products for 2004. Now in its eighth year, the Top 20 list is recognized as one of the most prestigious honors bestowed on gaming products or services.

JCM President Aki Isoi said, "We are thrilled to receive this honor. Every year from ICE to G2E, we see the world's new technologies, and we are very proud to have been selected from such an esteemed group."

A panel of four expert judges selected the UBA from a long list of entries. The UBA comes to life with groundbreaking acceptance and validation technology. Designed to accept multiple countries' currencies in one version of firmware, the UBA boasts the most sophisticated security measures and sensing technology, utilizing magnetic and optical sensors, including infrared, red and green LEDs, phototransistors, UV, reflective, transparency and bar code sensors. The UBA accepts currency up to 85mm in width, and has one head for all global currencies. The UBA has a 99 percent acceptance rate and is forward and backward compatible.

Attendees to the Third Annual Gaming Technology Summit, which takes place May 25 and 26 in Las Vegas, will vote for their favorite products and services from the Top 20 finalists.

**About JCM**

JCM American Corporation is the industry leader in currency handling systems and provides products, software and services to the gaming, vending, banking, amusement, and petroleum industries. Since 1995, its products have validated an estimated \$2.2 trillion in currency for the gaming industry alone. From its international headquarters in Osaka, Japan, and subsidiaries in Düsseldorf, Hong Kong, London, Sydney and its U.S. headquarters in Las Vegas, JCM's progressive spirit continually sets worldwide industry standards with innovative products such as the World Bill Acceptor (WBA), Universal Bill Acceptor (UBA), Trident Table Safe System and Intelligent Cash Box (ICB).
