## Parts are Parts

**Part No:** 701-000056

**Description:** Anti-static Kit

**Usage:** This kit is used to retrofit WBA-SU units manufactured prior to August, 2001 to add increased static protection. All WBA-SU units manufactured after August, 2001 have these kits installed.

**Note:** During standard operations, excessive static build-up can send a false cheat attempt code to the host machine, or cause a bill jam. JCM Engineering has created this Anti-static Kit for the WBA-SU consisting of three additional grounding harnesses and two conductive brushes. The kit dissipates the static build-up resolving both problems.

The list of JCM bill validator software provided herein notifies customers of the latest versions developed. However, the listing does not identify versions approved by gaming jurisdictional authorities for actual use. Customers should consult JCM's Customer Service/Parts Sales departments concerning approved versions for jurisdictions of intended use.

\* i suffix indicates Intelligent Cash Box option.

## Save Time and Labor with JCM's Intelligent Cash Box System

The ICB<sup>®</sup> (Intelligent Cash Box) system is a unique cash box/cash flow management system that allows the operator to track a cash box and its contents through the entire cash flow process. The ICB system eliminates the need for dedicating cash boxes to specific machines, or putting barcode identification on the cash boxes. The cash boxes are tracked electronically eliminating most variance issues.

# HAPPY HOLIDAYS

2003 closes as another extremely successful year for JCM, and 2004 promises to be a year full of innovative product ideas and new technology concepts to aid in making cash handling more convenient, accurate, and efficient.

To meet the opportunities that JCM is identifying in the market, our staff is working to create new products and enhancements to existing products. Our Engineering department is focusing on the final designs for several revolutionary new products. Our New Business Development department is hard at work coming up with even more innovative ideas for our Gaming and Commercial/Retail product offerings. Our Sales and Customer Service departments are continuing to grow and expand in order to offer better service to our customers.

With the dedication to quality and support our JCM family brings to our customers, we look forward to another big year of serving you with the superior products and services you have come to expect from JCM.

From all the members of the JCM family to you and your families, we wish you a safe and happy holiday season, and a prosperous New Year.
