LAS VEGAS (June 30, 2006) – Last year the six largest gaming manufacturers – Aristocrat Technologies, Atronic Americas, Bally Technologies, IGT, Konami Gaming and WMS Gaming – selected JCM American as their preferred vendor for their bill validator needs.

To celebrate, JCM created its "Six Flags™ Giveaway" online contest, and this week, Annette Fletcher from Alexandria Bay, NY, was drawn as the winner. Fletcher and her three guests will receive passes to the Six Flags destination of her choice, transportation and one night's accommodations. Fletcher has chosen Six Flags Darien Lake in Buffalo as her fun destination.

In addition to being selected preferred vendor by the top six gaming manufacturers, JCM's award-winning UBA™ (Universal Bill Acceptor) has been exclusively selected by top gaming operators for their new properties, including Wynn Las Vegas, Red Rock Station and Wynn Macau, and named one of the Top 20 Most Innovative Gaming Technology Products.
